Famous March birthdays
Many famous people have March birthdays. One of them is Theodore Seuss Geisel, better known to the world as **Dr. Seuss**.
The National Education Association celebrates March 2nd, Dr. Seuss' Birthday, as Read Across America Day.

The Doc's early years
Dr. Seuss got his start submitting funny articles and illustrations to Life Magazine and Vanity Fair, and made it through the Great Depression by creating advertisements for

Who Wants to Win \$1,000,000?
Who Wants to Win a Million Dollars? - The Science Game

Welcome to Who Wants to Win a Million Dollars! Test your knowledge of math and science as you work your way to the million dollar level! Although the questions you will answer are real, the money, unfortunately, is not. **You aren't playing for real money!** Sorry!

Feel free to [read the rules](#) if you don't know how to play the game.

Curious of how other players are doing? Wondering if your high score is still a high score? Take a look at the list of [recent winners](#), [this month's high scores](#), [last month's high scores](#), [this year's high scores](#) or [last year's high scores!](#)

[I'm ready! Let's start!](#)

Pook in the World
Pook wants to be a superhero, but when she says so, everyone laughs.
Help Pook and her animal friends save the world...at least a little bit.
You can come along! Join Pook on this animated, interactive learning adventure.
[Pook is a large download that requires the Flash plugin.]
Suggested ages: 6 and up

Other Quizzes and Games

FLAG TAG
Can you match the country with its flag? One country, three flags. Tag the right flag!

QUICK QUESTIONS
A set of geography questions (and their answers) for classroom use. These are based on [Country at a Glance](#), which can be used by students to find the correct answer.
Play against others or on your own for fun.

Water Quiz
Discover fascinating facts about everyone's favourite liquid with the help of secret hints and pop-ups!
Suggested Ages: 8 and up

THE URBAN FACT GAME
A creative, colorful, and highly interactive on-line quiz. What do you know about cities and population? Find out.

THE HEALTH GAME
An interactive and entertaining way to learn about your health. A fun quiz for use with our Health Teaching Unit.
